# HADDON HEIGHTS
# SCHOOL BOARD PROPOSAL

**Resolved that there should be raised an additional $175,516.00 for General Funds in the 2013-2014 school year. These taxes will be used exclusively for maintaining Winter Cheerleading, Clubs (Art Club, Varsity Club, MSU Club, Knowledge Bowl, Scribe Newspaper), Junior High Co-ed Track, the purchase of Marching Band instruments and supplies, Transportation for the Swim Team, Indoor Band stipend, Junior/Senior Band and Choir stipend, and computer equipment. Approval of these taxes will result in a permanent increase in the district's tax levy. These proposed additional expenditures are in addition to those necessary to achieve the Core Curriculum Content Standards.**

**MERCHANTVILLE BOROUGH**

**MUNICIPAL QUESTION**

(YES)
(NO)

Shall the Borough of Merchantville be authorized to impose an annual levy not to exceed $0.02 on the local municipal tax levy pursuant to N.J.S.A. 40:12-15.7 for the following purposes:

(a) Development of lands owned and/or acquired for recreation and conservation purposes.

(b) Maintenance of lands and historic buildings owned and/or acquired for recreation and conservation purposes.

## INTERPRETIVE STATEMENT

This non-binding referendum will give the Mayor and Council of the Borough of Merchantville the ability to create a fund for the development and maintenance of lands and historic buildings owned by the Borough of Merchantville. The amount will not exceed $0.02 of the local tax levy which is equivalent to approximately $37.10 annually on the average assessed home in Merchantville. This tax will be a separate and an additional tax on your tax bill. Due to restrictive budgetary conditions, this is an option to help continue the future existence of the lands and historic buildings for the use and enjoyment of the residents.

**STRATFORD BOROUGH**

**MUNICIPAL QUESTION**

(YES)
(NO)

Shall the Borough of Stratford be authorized to increase the annual levy by $0.01 on the local municipal tax levy pursuant to N.J.S.A. 40:12-15.7 for the following purposes:

(a) maintenance of lands acquired for recreation and conservation, with the new $0.01 proposed levy to be allocated to youth athletic safety, field maintenance and or youth based recreation infrastructure improvements.

(b) development of lands acquired for recreation and conservation purposes.

## INTERPRETIVE STATEMENT

This non-binding referendum will give Mayor and Council of the Borough of Stratford the ability to add funding for the development and maintenance of the Parks, Fields and Youth Recreation infrastructure improvements located within the Borough of Stratford. The amount of the new levy will not exceed $0.01 of the local tax levy which is equivalent to approximately $10.00 annually on the average assessed home in Stratford. This tax will be a separate and additional tax on your tax bill. Due to restrictive budgetary conditions this is an option to help continue the future existence of the parks, fields, and youth recreational sports for the enjoyment of the residents.

**WATERFORD TOWNSHIP**

**MUNICIPAL QUESTION**

(YES)
(NO)

"Shall the Township of Waterford, County of Camden, New Jersey, be authorized to (a) undertake a capital improvement project consisting of the construction of a Public Safety Building; (b) expend for such improvement an amount not to exceed $5,400,000.00; and (c) issue and sell bonds of the Township of Waterford in an amount not to exceed $5,400,000.00 to finance the construction of the Public Safety Building."

## INTERPRETIVE STATEMENT

"The Waterford Township Committee formed a Subcommittee to investigate the feasibility of constructing a new Public Safety Building to service the Township Fire Department and other related emergency services. The Subcommittee, at a public hearing held on May 16, 2013, issued its Report which determined that the existing fire house was in serious deteriorating condition and not large enough to store the entire necessary Township owned fire equipment. The Subcommittee also determined an estimated cost to construct a fully equipped Public Safety Building as $5,400,000.00. The proposed location of the Public Safety Building would be adjacent to the Municipal Building with anticipated frontage on the White Horse Pike. As a result of the Subcommittee Report and public hearing, an unanimous Township Committee agreed that a new Public Safety Building was necessary. The Township Committee also decided that a referendum should be held on the question of constructing a new Public Safety Building to determine the sentiment of the residents on the question. Depending on the interest rates on money that would be borrowed toward the financing of the construction, and without any grants in aid and voluntary contributions, the tax effect on a home assessed at $114,000.00, the Township average, would range between $63.61 to $87.67 per year. The Township Committee has made a commitment to seek all available Federal and State Grants in Aid and low interest financing, as well as voluntary contributions, prior to authorizing funding for construction of the Public Safety Building. The Subcommittee's Report concluded that the construction of a new Public Safety Building is considered a matter of priority in order to provide the necessary health, safety and welfare protection to the Township residents and their property."

## PUBLIC QUESTION #1

## CONSTITUTIONAL AMENDMENT TO PERMIT MONEY FROM EXISTING GAMES OF CHANCE TO SUPPORT VETERANS' ORGANIZATIONS

(YES)
(NO)

Do you approve amending the Constitution to allow veterans' organizations to use money collected from existing games of chance to support their organizations?

## INTERPRETIVE STATEMENT

This amendment to the Constitution would allow veterans' organizations to use the money collected from existing games of chance (such as bingo, lotto or raffles) to support their organizations. At present, the Constitution allows this money to be used only for educational, charitable, patriotic, religious or public-spirited purposes. Currently, only senior citizen groups may use the money they collect from existing games of chance to support their groups.

## PUBLIC QUESTION #2

## CONSTITUTIONAL AMENDMENT TO SET A STATE MINIMUM WAGE WITH ANNUAL COST OF LIVING INCREASES

(YES)
(NO)

Do you approve amending the State Constitution to set a State minimum wage rate of at least $8.25 per hour? The amendment also requires annual increases in that rate if there are annual increases in the cost of living.

## INTERPRETIVE STATEMENT

This amendment to the State Constitution sets the State minimum wage at the level in effect under current law, or $8.25 per hour, whichever is more. Cost of living increases would be added each year. Also, if the federal minimum wage rate is raised above the State rate, the State rate would be raised to match the federal rate. Future cost of living increases then would be added to that raised rate.
