How to Create Project Based Studies?

Participants will understand the difference between theme and project based studies as they dig deep into creating a lesson plan.

Thursday, May 5, 2016

Anthony P. Infanti Bellmawr Branch Library
35 E. Browning Road - Bellmawr
CORE Knowledge Area: 3

6:15pm - 8:15pm

Instructor: Linda Tomaszewski
CDA Goal: 1

Taking your Learning Outdoors

Children love outdoor play! As child care providers, we must remember to utilize the outdoor environment in addition to the indoor environment as places children can have hands on learning experiences, as well as have fun! This workshop is a dual workshop, with play both outdoors and indoors with a focus on math, science, art, gross and fine motors skills! Come dress to have fun!

Wednesday, May 11, 2016

William G. Rohrer Memorial Library
15 MacArthur Boulevard - Westmont
CORE Knowledge Area: 3

Sensory-Integration and Play in the Early Childhood Environment

We all know that play is the most important word in early childhood, but what about those children who have problems with play? This workshop will look at how play impacts children and the challenges that children experience during play. Imaginative, purposeful activities and ideas to enhance your curriculum and play materials will be the focus of this workshop. Don't miss the FUN!
