The Director welcomed everyone to the meeting of the Camden County Board of Freeholders. He said we are very pleased to be in Bellmawr. ## PROCLAMATION

### SUSTAINABILITY AWARD

Freeholder Nash said he brought his own fan club tonight because my Mom is here from Florida! Freeholder Nash said every month Camden County scours the County to find some person or individual who we give special recognition with our Sustainable Project. He said we educate our public, both businesses and residences on the environmental benefits of our Sustainability Program. He said we try to find someone who has gone beyond the call of duty as it relates to Sustainability. Tonight, we are very pleased to recognize, Michael Palmieri. He asked Michael to come forward.

Freeholder Nash said when I read this to you, you will understand why he is being recognized tonight as receiving our Sustainability Award - our Sustainable Champion but also for receiving a Community Award for his amazing work in the community.

He asked members of Council to join them. Freeholder Nash said Michael grew up in Runnemede; attended Triton High School, where he was recently inducted into the School's Hall of Fame. Mr. Cappelli, Sr. was the Principal at Triton when Michael was there. The Freeholder said using experience he gained from working in the Supermarket industry, Mike opened a commercial construction company, specializing in Supermarkets throughout the Tri State Area in 1981. His success of his business is one of the leading in the industry and has provided him the resources to greatly support healthy living and eating in the community with monetary and food donations to schools, police departments and municipalities. He has made financial contributions to support the recreation center's programs which include tennis, softball, basketball, indoor games as well as the arts and crafts for children that promote a healthy lifestyle, outdoor activities and mental stimulation. He has also donated holiday baskets to the churches, schools, townships and provided funds to help subsidize the summer youth work program and he has been given many awards from the community for his outstanding generosity. Freeholder Nash said we are proud tonight to recognize Michael as being this month's Sustainability Champion.

Michael Palmieri said I grew up around here and I have been lucky. He said I do believe that all business people should give back - continuing doing that. He said it helps the area and it helps the people. Tonight, it will be no different. He said I would like to donate \$10,000.00 to Bellmawr so they can use it in their athletic program and/or feed the needy.

Freeholder Nash thanked Mr. Palmieri and said that is very generous.

### EMPLOYEE OF THE MONTH

Freeholder Leonard welcomed everyone and called upon Director Martello and Joe Esposito to come forward. He then called upon the Employee of the Month, Buffington Givens and his fiancé to come forward as well.

Freeholder Leonard said tonight I have the honor of selecting the Employee of the Month. He said each month each Freeholder gets to pick someone from the various departments they represent. He said this month, as always, when I get to pick an employee, it is always somebody who I think has really dedicated their life to the County - it is meaningful and significant. He said Buffington Givens a/k/a "Buff" has really done that when it comes to Public Works. Freeholder Leonard said Buff has been with us over 11 years now. He started out as a laborer, held the title of truck driver and is currently a road inspector. He said the one thing people don't recognize is this is a tough job whether you are in the Parks Department or Highway Department. He said these are the people who

are doing the jobs which most people don't want to do. He said when you are home sleeping in the middle of the night, and it is snowing - a foot or more - some of these guys don't go home two or three days at a time. He said these are the people who are out when it is two degrees. He said the one thing I can say about Buff is in 11 years, he has never, ever missed a snow storm for the County! He said this is someone who is leaving their family day in and day out. For somebody who never missed a snow storm in the last four or five winters we had. He said you are at work a lot more than you are home. Thank you very much!

Freeholder Nash said in his spare time, he attends sporting events with his grandchildren. He volunteers and helps seniors in the community and does charity work for autism. He said Buff is here with his fiancé. He said his four children could not be here tonight. The Freeholder said on behalf of myself and the entire Board thank you for all your hard work.

Director Sam Martello said Buff, it was tough to pick one guy, especially this past winter when the whole department stepped up. He said Freeholder Leonard and Joe Esposito sat down with me and we thought who is the person who exemplifies in this department who comes in, works hard and doesn't complain when I say, "hey, you can't go home, there is another snow storm coming. Thanks a lot and congratulations.

Mr. Esposito said as Director Martello said, Buff comes to work every day, doesn't give us a problem - whatever we ask him to do he does it. He gives you 100% - no complaints. He does a good job - he is strong as a horse and he does what we ask him to do and gets the job done for us. Mr. Esposito said one thing in Public Works, you measure your value on whose snow district you are on. He said I am in charge of Snow District 11 and Buff is on District 8, which is run by the Director. That tells you something that tells you what kind of guy he is - Congratulations!

Freeholder Leonard presented him with a County Clock and a gift card. Congratulations!

Buff thanked the Freeholders and said he appreciated that.

The Director proceeded with the Agenda.

The Director said at this time the meeting is open to any member of the public who wishes to address the Board of Freeholders. He declared the public hearing open.

Seeing no one, the Director asked for a motion to close the public hearing. Deputy Director McDonnell made a motion to close the public hearing with a second by Freeholder Leonard and all Freeholders present voted aye.

**PRESENTATION**

The Director said there was a group that we wanted to recognize at the beginning of the meeting who is now here. He asked the representatives of Bellmawr Baseball, Inc. and members of the governing body who are still here to come forward.

Director Cappelli said as we go from town to town, we ask the governing body for the name of a non-profit in town worthy of recognition and a small donation from the Board of Freeholders. He said this governing body has chosen Bellmawr Baseball, Inc. for the community award. The Director said Bellmawr Baseball has positively impacted the youth in this community for the past 64 years. It is a part of both the fall and spring leagues for players from ages 4 to 15. They play Cal Ripkin Little League and Babe Ruth Leagues. He said the older, more experienced players travel. In 2014, there are over 200 players and 16 teams - three out of the four have won league championships. The Director said I can tell you from my days coaching for Collingswood kids at this age, these Bellmawr kids are tough. They do a good job too. He

said whenever you go out to the baseball fields in Bellmawr, there is a huge crowd - a lot of people out there supporting the youth. He congratulated the Coach and thanked him for his service.

Coach Rick Dougherty said, yes this is all for the kids - everything we do is for the kids. It makes it worth going and invited everyone to attend. He said we have a lot of games at home - usually one or two games going on each night of the week from mid-April to the middle of June. Thank you very much.

Director Cappelli said one of our Resolutions tonight was to appoint a person to be our new County Counsel. He said our previous County Counsel, Sherri Schweitzer, has been appointed to be a Superior Court Judge by Governor Christie. We are very pleased and fortunate tonight to find a superior replacement - somebody who is an outstanding lawyer and has done work for the County in the past and we are absolutely certain that he will do a great job for us - Chris Orlando. Congratulations!

The Director said I will now open the floor to the Freeholders for their comments.

**Freeholder Nash** said I want to welcome my Mom again and thank you for being here! He said I do want to thank the public officials and the residents of Bellmawr for coming out. Thank you for your hospitality as always. He congratulated Sherri on her appointment to the Superior Court Bench but also Sherri's predecessor, Deborah Silverman Katz was just named as the Assignment Judge in Camden County and that is a great honor for one of the County's own. He said she is the First Woman Assignment Judge in the County's history. He said she is a person that I went to Law School with - many years ago!!

The Freeholder said last Sunday there was the bike ride for the American Cancer Society and several of us in Camden County participated in that and we raised over \$25,000.00 in support of the American Cancer Society. He said Marge DellaVecchia did over 50 miles as did her daughter, Abby, and several other people who worked for Camden County did that for a really good cause. He said the Special Events Group did a great job, Sandi, on July 4<sup>th</sup> for the Wiggins Park Celebration. He congratulated the Special Events Group and also those of the Battleship New Jersey. He said finally but certainly not least, the men and women who work in the Parks Department. They have done an outstanding job this summer. He said today is a beautiful day but last week it was 95 degrees and very humid and the men and women were out there - especially our Parks Ambassadors who are out there all the time working with the Public, cutting the grass and making sure that the ball fields are all taken care of. The Parks look outstanding. He commended Frank Moran and to extend that to his staff. They have done a great job. Keep up the good work. Thank you.

**Freeholder Leonard** thanked Council for hosting us this evening and thanked the residents for coming out. He said I also want to follow up on what Jeff said - thank the employees of Public Works and Parks. Also, Sandi Kelly for what she does for Special Events.

This is the time that they really put in the extra effort when it comes to summertime with the Parks, roadways that Sandi does with the events we have all summer so residents can take advantage. I also want to congratulate and welcome Chris Orlando to Camden County. I am sure you will do a great job as Sherri did. Sherri was an outstanding attorney for Camden County - was always on top of her game in keeping us out of trouble which I often say is not easy!! He thanked everyone for coming out and wished everyone a great weekend.

**Freeholder Rodriguez** thanked the Bellmawr Council and the residents for hosting us this evening. It is a lovely day to be here. She thanked all of the employees throughout the County that

do such an awesome job at what they do. It really is because of them that this County functions as well as it does. I want to thank all of you especially those in my Health Department. She wished a special thanks to Constituent Services - they have made the work in my office a lot easier because they take care of all our constituent needs immediately and effectively. They are so awesome at communicating with everyone. She wished everyone a happy and safe summer. She said when it gets hot, please check up on your elderly, take care of your kids and your pets, who are particularly sensitive and may not be able to express their health concerns to you. Have a nice summer.

**Deputy Director McDonnell** said to Mrs. Nash, it is really true, Jeff is an elected official. He said Jeff has told his mother for years that he actually got elected to public office - she thought that was absolutely impossible and finally flew up from Florida just to finally verify it! He said it is true. Welcome, Mrs. Nash, and thanks for being here. He said I also want to welcome Chris Orlando. He said it was great meeting you the other day and talking. We are so glad you are here and we know you will do a great job.

The Deputy Director said I want to tell everyone here about an event today that County Administrator Ross Angilella and I attended today. He said we went down to the Communications Center in Lindenwold. He said that is the place where all our 9-1-1 communications are and where Office of Emergency Management is located. He said it is a place where First Responders are prepared to answer whatever emergency or tragedy that might happen here in Camden County and in the area. He said I must tell you - I wanted to tell the public that you would be happy to know what great hands you are in. There was a mock drill today that took place in Cherry Hill. He said they simulated an accident involving spilled gasoline - thousands of gallons. The Deputy Director said to watch how they responded and how many people are involved and how brilliantly they do. He said many of the people are volunteers who come to help and know whenever there is an emergency, they are going to be asked to come to our aid. He congratulated Rob Blaker, Director of Public Safety and Jim Rhodes, Deputy County Administrator, who oversees that operation. There is no doubt that the finest public safety - Office of Emergency Management First Responders organization 9-1-1 is right here in Camden County. He said the evidence of that is that for the entire South Jersey Region, the State of New Jersey has taken to funneling all of the funds for Homeland Security in New Jersey for the southern counties through Camden County. They come to Camden County first and they rely on Camden County's judgment to decide on the disbursement of that money. It was a great thrill to be there today and I congratulate everybody - Jim Jankowski, Sam Spino, Director of Emergency Management. He said they did an outstanding job and made me feel really good and proud. He congratulated everyone involved for a job well done. Thank you.

**Director Cappelli** thanked the employees of Camden County for the great work they do day in and day out on behalf of the citizens of Camden County.

The Director asked for a motion to adjourn. Freeholder Nash made a motion to adjourn with a second by Deputy Director McDonnell and all Freeholders voted aye. The meeting was adjourned at 7:35 p.m.

Respectfully submitted,

Marianne DiPiero  
Clerk of the Board
