WIGGINS WATERFRONT PARK & MARINA

Making It Better, Together.

WIGGINS WATERFRONT PARK & MARINA

Wiggins Park is a 51 acre park located along the Delaware River in Camden, New Jersey. Formerly an industrial waterfront location, the land of Wiggins Waterfront Park was officially designated as a park in 1981. Since its original opening, Wiggins Park has undergone several changes and developments.

This beautiful park now extends for 1.3 miles from the Ben Franklin Bridge to the Battleship New Jersey. With the Susquehanna Bank Center, Adventure Aquarium and Battleship New Jersey located adjacent to the park, there is plenty to do with the whole family. The park itself has great views of the Philadelphia

skyline year round and is a great place to watch Fourth of July and New Year's fireworks. A variety of concerts take place throughout the year such as the annual XPoNential Music Festival and the Sunset Jazz Series.
