TOWN WIDE {SHOPPING} EVENT

SEPT. 28 4 'TIL 8

SHOP LOCAL ★ FEEL GOOD

Fill the streets to show support for our local merchants! Shop in town on September 28 and boost our town's economy while enjoying a great night out.

It's simple: Just spend \$28 at local businesses from 4-8PM to show your love for our merchants and all they bring to our community.

Pick up anything that night from gifts, toys, jewelry and produce to home goods hardware, services, furniture and clothing and be part of our cash mob.

Afterwards, mingle with friends and neighbors at a free reception while sampling snacks and refreshments from local businesses and enter to win Collingswood Cash and prizes.

Be sure to RSVP to the reception on the \$28 on the 28th Facebook event page in advance and bring at least \$28 of local business receipts from your night on the town. Space is limited.

This event is part of Camden County's ongoing Shop Local campaign. According to the campaign, if each household in Camden County transitions **just \$10 per month** of their out-of-county retail spending to in-county spending, the economic benefit to the county would be approximately **\$35 million per year**. In Collingswood that economic impact could reach \$1.1 million.
