# 60'S NIGHT

## October 17, 2018

## SIXTIES NIGHT AT CAMDEN COUNTY COLLEGE

The *times they are a changing* at Camden County College on October 17, as we travel back to 1960s America. You won't *need a weatherman to tell you which way the wind is blowing* as we explore the triumphs and tragedies of the most tumultuous decade in American history. Join the Hippies and Yippies and other protest groups who wanted to *just give peace a chance*. Those who lived through the era can reminisce about the great moments, while those who didn't can get a feeling for the times that changed America. Let us lead you across *a bridge over troubled waters* with the music, films, and art of the period. The reception will be followed by the free lecture, *The World Will Know Peace: Opposition to the War in Southeast Asia*.

Oh yes, if you come to Camden County College *be sure to wear flowers in your hair* because *you're gonna meet some gentle people here*. Get groovy by breaking out your bell bottoms, tie-dye shirts, granny dresses, and other 60s attire. We're not just *going to be blowing in the wind*, we know when it's over you will still *keep on walkin and talkin* about the experience.

*Lyrics from 1960s protest songs*
