Dear Friends of Camden County Baseball,

Welcome to the 17th Annual Camden County High School All-Star Baseball Game.

We wish to congratulate all of the players that have been chosen to participate in this All-Star Game. It is through the efforts of many that we have been able to organize this special day. We would like to thank Camden County Improvement Authority, the members of our committee and all of the Camden County High School Athletic Directors for their help in putting together this special game.

It is our hope that through participating in this game, the players will fully enjoy their experience and further develop their skills in this classic sport. We also want to take this time to thank you for joining us today. Without your participation, the sport of baseball would not be what it is.

Again, we congratulate all of the players for their selection to participate in this game.

Sincerely,

Edward T. McDonnell
Freeholder Deputy Director
