CAMDEN COUNTY DEPARTMENT OF CHILDREN'S SERVICES

Your Child Care
Resource & Referral Agency
for Camden County

The Department of Children's Services has been providing assistance to families, child care professionals, and the community since 1971. As the Child Care Resource and Referral Agency for Camden County, it is our goal to:

- Promote and support high quality child care that is affordable and available for all families.
- Offer professional development opportunities and technical assistance to child care programs.
- Work with local officials, schools, employers, and the childcare community to help develop child care programs that meet the expanding needs of our families and the demands of our economy.

Camden County Department of Children's Services

DiPiero Center, Suite 200, 512 Lakeland Road

Blackwood, NJ 08012

The Federal Child Care Development Block Grant (CCDBG)

Reauthorization Act of 2014 increases the health and safety requirements for all child care and early learning programs that accept child care subsidies. All staff working in child care programs are required to complete the following trainings to meet the CCDBG reauthorization requirements. All new staff need to complete their required training within 2 weeks of their hire date:

- **Health, Safety, and Child Growth and Development/Mandated Reporting (10 hours)** - available at no cost on-line through NJCCIS.com or virtually through our agency .
- **Pediatric/Adult CPR/First Aid (6 hours) - in person training only**
For more information, or to register for a CPR class, please contact Mary Ferro at (856) 374-5122 or mary.ferro@camdencounty.com.

Grow NJ Kids is a state-sponsored initiative to raise the quality of child care and early learning throughout New Jersey.

This quality rating and improvement system gives child care and early learning programs resources to assess and improve their programs while providing parents with information that allows them to evaluate the quality of programs and make the best choices for their child. The goal is to create a system that encourages ongoing improvement.

Infant and Toddler Specialist Network (ITSN) uses a multi-layered technical assistance approach to efficiently support progressive movement through the framework of the ITSN.

When working with an Infant and Toddler Specialist (ITS), you can expect to be involved in a collaborative process between the provider and ITS. The technical assistance, trainings, and all work related to improving your program are tailored to your specific needs.
