# Protect from an Overdose

Supported by the Camden County Board of Freeholders  
Addiction Awareness Task Force.

## DO YOU KNOW SOMEONE WHO IS AT RISK FOR A HEROIN/ OPIOID OVERDOSE?

The Overdose Prevention Act provides an opportunity for those in a position to help and assist someone during an overdose by administering Naloxone. The law eliminates civil and criminal liability to anyone who administers Naloxone.

**Free training** via **Webex** and **Naloxone Nasal Spray kits** shipped during recent COVID19 restrictions.

**Distribution of free Naloxone kits** for training attendees, including family members, friends, professionals, and individuals who are at risk or could be in the presence of someone who is at risk for an overdose.

## TRAININGS INCLUDE

- **Addiction education and treatment options**
- **Overdose prevention techniques**
- **Signs and symptoms of overdose**
- **Steps to take when an overdose occurs**
- **Rescue breathing**
- **How to administer naloxone, self-help, family support, and other important resource information**

## FREE TRAINING AND NALOXONE NASAL SPRAY KITS

Training held on the last  
Tuesday of each month  
12:30 PM - 2:00 PM
