

Senior Well-Being Program

Do you know a senior, disabled individual, or caregiver in need of resources and support in Camden County?

Oaks Integrated Care provides education, support groups and counseling for seniors over 60 years old, the disabled and caregivers who work with seniors.

SENIOR SERVICES

A specialist provides workshops, discussion groups and individual counseling services in a variety of settings to help seniors maintain healthy lifestyles and develop coping skills related to the aging process.

CAREGIVER SERVICES

A specialist provides caregivers with resources such as interactive educational workshops and support groups in a variety of settings to effectively care for an aging family member or friend. We provide caregivers information, referrals and support for their unique family situation.

WHY OAKS INTEGRATED CARE?

- FREE services!
- Specialized education topics including Coping with Memory Loss, Legal and Financial Concerns and Preventing Caregiver Burnout
- Convenient Camden County locations: health centers, home of the consumer, senior centers, churches, assisted living facilities, nursing homes and more
