

Camden County's Rental Assistance Grant is aimed at helping households who are losing their homes, have an eviction threat or recently lost employment due to COVID-19 shutdowns. Applications must be made by tenants, but payments will be made directly to their landlord.

Eligibility and Rules

- Provide rental assistance to Camden County residents for their back rent.
 - May include utilities that are included in monthly rent.
 - Grant will cover outstanding rent payments for the period of April 2020 through September 2020, for a maximum of \$4000
 - Landlords must agree to waive late fees and penalties accrued during this time.
 - Lease must have begun prior to 3/1/2020
- Applicants will be required to provide proof of loss/reduction in employment or income
- No duplication of funds will be permitted, meaning apartments/landlords who are funded under the State's tenant assistance program or Section 8 are not eligible.
- Grant is income based with a maximum of 50% Average Area Median Income (AMI).
