QUESTION, PERSUADE AND REFER (QPR)

“As CPR is for the Heart, QPR is for the mind”

Each year, thousands of Americans like you are saying “YES” to saving a life of a friend, colleague, sibling or neighbor.

Who is this training for?

Anyone who is in a position to recognize that someone may be contemplating suicide: parents, friends, teachers, coaches and many others.

QPR trains you on:

- Recognizing suicide warning signs
- Ways to initiate conversation
- Methods of providing help and hope

Target Audience:

Community agencies, individuals working with at-risk populations, parents, friends, coaches, hospital systems and military veterans.
