

## Small Business Contact Tracing Virtual Forum on November 19th

### What support does your small business need in the event of a COVID-19 exposure?

State and county public health officials want to hear about the challenges faced by small businesses when/if an employee or customer tests positive for COVID-19.

Join us for a Small Business Contact Tracing Virtual Forum on **November 19, 9:00 – 10:00 AM** and speak directly to public health officials about what small businesses in our region need in order to keep their employees, customers, and communities safe.
