

CERT Training

The Community Emergency Response Team

The (CERT) program is an all-risk, all-hazard training. This valuable course is designed to help protect yourself, your family, your neighbors and your community in disaster preparedness and response skills.

CERT members will receive 20 hours of free training and free gear. The course is taught with classroom instruction and practical exercises. Trainings include how to prepare for disasters, types of hazards, fire extinguisher safety, search and rescue, medical head-to-toe assessments and triage, door breaching, techniques for debris removal, teamwork and much more. Once you have completed the initial training you are eligible for additional skills training year round.
