IMPROVEMENTS TO CR 616 (CHURCH ROAD) CHERRY HILL TOWNSHIP, CAMDEN COUNTY

ALMAR DYER, Commissioner Liaison DPW
JOHN WOLIK, Director of Public Works
KEVIN BECICA, PE, PP, CME, County Engineer

KEY FACTS

Camden County is committed to developing transportation improvements that best balance transportation needs, the environment, community concerns, and costs. Camden County is holding a Virtual Public Information Center to inform local residents, officials, and community with information on the Improvements to Church Road CR 616 project, between the boundary with Burlington County and the vicinity with NJSH 38 in Cherry Hill Township. You are encouraged to participate by providing comments at the meeting, by chat or e-mail.

THE MEETING

Due to the COVID-19 Public Health concerns, the Public Information Center will be held virtually on **July 27, 2021 at 6:00PM**. To participate in the live virtual Public Information Center, go to Camden County, NJ Public Works Department website at www.camdencounty.com/service/public-works/. The virtual Public Information Center will be recorded and posted to the Public Works Department website. Please visit this website any time between July 28 to August 10, 2021 to learn more about the project and leave comments. A survey form link for the project is available at <https://forms.office.com/g/cWrw7Tyv9n>. Property owners with rental units are advised that tenants are also invited and encouraged to participate.

PROJECT SCHEDULE:

Anticipated Construction Start Fall 2021
Anticipated Construction End Summer 2022

HISTORIC AND CULTURAL RESOURCES:

Federal regulations pertaining to the protection of historic properties, referred to as the Section 106 process, require the Camden County and NJDOT to take into account the effect of proposed projects upon historic resources listed in, or eligible for listing in, the National Register of Historic Places. Information about the process is available at: www.achp.gov/sites/default/files/documents/2017-01/CitizenGuide.pdf. Camden County and NJDOT are required to solicit public input to assist in carrying out the Section 106 process. Historic preservation organizations, historical societies, and similar groups, or individuals with information about cultural resources (archaeological or architectural) in the project area are encouraged to attend the Public Information Center and provide comments.
