

Camden County COVID-19 Community Recovery Grant Program for Not-for-Profit Organizations

Making It Better, Together.

This Grant Opportunity is being made available for Not-for-Profit Organizations that have been affected by the COVID-19 Pandemic. If eligible, your respective business could receive up to **\$500,000**.

Grant Objectives:

The primary objectives of grant funds under this Program are to:

- Serve vulnerable and at-need populations within the County;
- Provide on-demand pandemic-focused services that are critical to the County's response to the COVID-19 public health emergency; and
- Strengthen the County's travel, tourism and hospitality industries whose operations have been substantially affected by the pandemic.

Requirements:

- Applicants must provide evidence of their not-for-profit status
- Applicants must complete an attestation statement
- Applicants must submit a detailed budget form
- All organizations must execute an Agreement with the County.
- Organizations who request prospective funds must file periodic budget reports demonstrating use of funds. Any unspent funds must be returned to the County
