

CAMDEN COUNTY ADDICTION AWARENESS TASK FORCE
AND CAMDEN COUNTY COLLEGE PRESENT:

HOW TO SURVIVE

IMPACTS of Covid-19 on Global Mental Health and Addiction
What has it done? How can we Move Forward?

OCTOBER 20TH, 2021 / 6:00PM–7:30PM
MEETING WILL BE HELD VIRTUALLY VIA ZOOM

- What Impacts has Covid 19 had on Global Mental Health and Addiction over the past 19 plus months?
- How has it affected OUR communities?
- How can people deal with these impacts and move forward?
- Learn about Survival Strategies and Self Care.
- What resources are available?

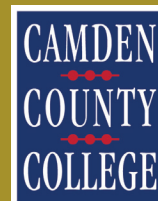

SPEAKERS:

- Ann A. Murphy, Ph.D., CPRP. Director Northeast & Caribbean Mental Health Technology Transfer Center (MHTTC). Associate Professor Rutgers, The State University of New Jersey, Department of Psychiatric Rehabilitation & Counseling Professions.
- Kristy Ritvalsky, MPH, is a school based senior training and consultation specialist with the Mental Health Technology Transfer Center (MHTTC). She has supported school teams with social emotional learning, school mental health and positive behavior interventions and supports.
