Summary of Work Completed Period of September 29, 2023

- Contractor began with removing existing concrete curb, sidewalk, and driveways along 27th Street between Marlton Pike and Washington Street. Forms were then installed at the removed sections and new concrete curb, sidewalk and driveways were then poured and finished. Sanitary sewer cleanouts, gas valves, and water meter boxes were also reset within those limits. Police traffic directors were utilized during the days work for traffic control safety measures.

Anticipated Work for Period of October 13, 2022

- Continuation of concrete work.
- Begin drainage work and installation of brick pavers.

Notice to Proceed: September 5, 2023

Substantial Completion: February 11, 2024

Final Completion: March 2, 2023
