**Loss Of A Child**

**The moment that you died  
My heart split in two  
The one side filled with memories  
The other died with you.**

**I often lay awake at night  
When the world is fast asleep  
And I take a walk down memory lane  
With tears upon my cheek**

**Remembering you is easy  
I do it every day  
But missing you is a heartache  
That never goes away**

**I hold you tightly within my heart  
And there you will remain  
Life goes on without you  
But it will never be the same**

**For those who still have thier children  
treat them with tender care.  
You will never know the emptuness  
as you turn & they aren't there.**
